

**don't just toss 'em**

***Thorough Maids and CURE Recycling have teamed up to recycle Cell Phones, Smart Phones, PDAs, mp3 Players, Inkjet Cartridges, and Digital Cameras!***

The program will benefit CURE Childhood Cancer, plus it's good for the environment!

This will be an ongoing effort. Simply collect items from Home and Work to support our program. There's No Cost to you! All items accepted, working or non-working!

*Please remember to put inkjet cartridges in a plastic sandwich bag.*

***Thanks for your support!***

*Thorough Maids*

*We're not a service, we're an experience*
